

# Longarm Quilting Price Sheet

To schedule longarm quilting services, contact Christa at:  
cottonberryquilts@gmail.com

## Minimum Charge

\$75.00 per quilt

## Quilting Fee (E2E Computerized)

Starts at \$ .025 and up per square inch (psi)

How to calculate the quilting fee:

1. Calculate the area of your quilt.  
(Multiply length x width in inches. (example, a quilt measuring 60"x 80" = 4800 square inches)
2. Multiply the area of your quilt by the price per square inch.  
(example, for a basic E2E design @ \$ .025, the fee would be  $4800 \times .025 = \$120.00$ )

## Thread Fee

No charge

## Batting Fee (optional)

I offer batting for an additional charge, however you are welcome to provide your own. If you are sending your quilt through the mail, consider purchasing batting from me to save on shipping charges.

Batting offered:      Quilters' Dream Cotton (natural or white) - \$ .35 per lineal inch  
                                 Warm & Natural Cotton (Natural) - \$ .35 per lineal inch

## Trim Quilt Fee (optional)

\$ .07 per lineal inch

## Binding Fee (optional)

Option A: \$ .25 per lineal inch

(trim quilt and sew customer-made binding onto quilt)

Option B: \$ .40 per lineal inch

(trim quilt, make binding and sew onto quilt)

Option C: \$ .55 per lineal inch

(trim quilt, make binding, sew onto quilt and finish by machine)

Option D: \$ .75 per lineal inch

(trim quilt, make binding, sew onto quilt and finish by hand stitching)

## Shipping Fee

Any shipping and insurance fees for returning quilts by mail are paid by the customer.
